Calif. Bar Assn. Meets at Coronado

The California Bar Association will hold its Eighteenth Annual Meeting September 15, 16 and 17, at Coronado. This meeting, which will probably be the final gathering of the Association as at present constituted, will be of outstanding interest to the bar of the State, as it marks the transition from the old to the new, from the voluntary association to the state-created integrated bar.

The meeting will be notable not alone for this feature, but because of the prominence of the speakers and the importance and interest of the topics to be discussed. The outstanding figure of the meeting will be Hon. Silas H. Strawn of the Chicago bar, a lawyer of international reputation, who will deliver the annual address, and who recently represented the United States on the commission created by the world powers on conditions in China.

The sessions will commence on Thursday morning, September 15, at 10 o'clock, at the Hotel Del Coronado, with an address of welcome by Hon. Harry C. Clark, Mayor of San Diego, and a response on behalf of the Association by Frank C. Tyrrell, of Los Angeles. Reports of Secretary, Treasurer, Executive Committee and Legislative Committee will be presented and a Nominating Committee elected.

U. of S. C. Increases Summer Enrollment

University of Southern California, Aug. 25.—Summer student enrollment at the University of Southern California shows an increase of 24% this year over last year, or a total of 4,974 during 1927 against 4,004 of 1926. The early 8-weeks session, which opened June 13, shows 449 registrations; the 6-weeks session, opening June 27, had an enrollment of 2,520; the late-summer Post session, which opened August 8, records 984 registrations. The Summer Quarter of the Trojan Law School was attended by 143 students, while University College the evening branch, reports 878 in the Summer Quarter.

One of the new features was a group of teacher-training courses in sight-seeing, covering adaptation of the school program to the needs of children with serious eye difficulties.

Coming from practically every state in the Union, the Philippines, a number of foreign countries, and over 150 California communities, the success of the 22nd annual Trojan summer session demonstrates that Southern California is a section popular for summer study, as well as of increasing importance as a center of culture, industry and recreation.

Mr. and Mrs. O. S. Breeze returned Monday from the Pacific Electric Camp near Lake Arrowhead. They left immediately for San Francisco to spend the balance of their vacation.

'The Flying Fool' Is Big Thriller With Dick Grace

World's Stunt King Does His Stuff in Feature at Lomita Theatre

Dick Grace, daredevil of the silver-sheet, who prides himself that he can perform any hair-raising motion picture stunt that an avid audience can conceive, is featured at the Lomita Theatre next Saturday in "The Flying Fool."

In "The Flying Fool" the world's stunt king does his stuff by air, land and water, and he does it rapidly. It's a picture full of staggering risks and hairbreadth escapes, and the producers certify that Dick never uses a double for any of his tricks.

Just to make things more interesting and perhaps get some new ideas, Dick Grace has offered an award of \$1,000 to anyone who can suggest "a plausible motion picture thrill stunt that he cannot perform."

"Name any thrill that can be utilized in one of my pictures and I will pay you for the idea," Dick continues, "provided, of course, it is new and original and has not been performed before. I have performed over nine hundred movie stunts, worked for nearly every motion picture producing concern in Hollywood, doubled most of our male and female stars, and my thing stunts along with death-defying devilry which frequently ended in the hospital—yet for my own series of pictures I want new death-defying thrills—stunts that will pull the audience up from their seats with a gasp—so send along your ideas—there is no dare I will not take—and I offer \$1,000 for any plausible stunt I cannot do."

Gaston Glass, Wanda Hawley and an all-star cast support Dick in "The Flying Fool."

Other toppers are at the Lomita Theatre for the next few days, including "The Marriage Clause," starring Francis X. Bushman and Billie Dove tonight and tomorrow; "The Return of Boston Blackie," with Corliss Palmer and Strongheart on Sunday and Monday, and May McAvoy, Malcolm McGregor and Hedda Hopper in "Matinee Ladies" next Tuesday and Wednesday. "Matinee Ladies" is an intriguing romance of a giant girl and a "fiddler" who worked his way through college by dancing with rich ladies who "paid and paid and paid."

Legionnaires Plan Various Activities

San Francisco, August 25.—Completion of plans for the activities of the three hundred odd Posts of the American Legion in California are announced from state headquarters of the World War veterans' organization here following the visit this week of the new State Commander Philip S. Dodson of South Pasadena and other officials of the Legion.

Community service, child welfare work, Boy Scout activities, rehabilitation work among the disabled and sick veterans in the different hospitals of the state, conservation and Americanism are included on the program for the ensuing months, according to State Commander Dodson and State Adjutant James K. Fisk.

"Among other things, each Post will take an active part on behalf of our disabled comrades; they will keep in touch with the men who are still fighting the war in our various hospitals," Commander Dodson declares in a message to the American Legion members. "An aroused public opinion, fostered by the American Legion will demand fire-proof barracks at Sawtelle; will see that there is not a disabled comrade in California, who is not properly and adequately provided with a sufficient amount of the world's goods to live happily and usefully as a veteran."

"Every American Legion Post will determine upon at least one definite objective which the Post will perform during the year for Community Service," Commander Dodson says.

Mr. and Mrs. E. V. Fletcher of Pennsylvania avenue entertained Mr. and Mrs. J. E. Clare of Los Angeles at luncheon Sunday. In the afternoon they saw the parade at Long Beach, and in the evening attended a Los Angeles theatre.

Mrs. J. C. Sorensen and daughter Gloria are guests today of Miss Anna Elman of Los Angeles. Mr. Sorensen will join the party for dinner.
